About Us

Welcome to KOREAL, where innovation meets excellence. Founded in 2025, we are committed to revolutionizing home appliances in India with cutting-edge technology, smart designs, and premium quality.

At KOREAL, we believe your home deserves the best. Our mission is to create high-quality, reliable, and energy-efficient appliances that enhance modern living. With a focus on smart technology, durability, and superior performance, we strive to make every home smarter, more efficient, and more comfortable.

Driven by a passion for innovation, KOREAL is dedicated to setting new benchmarks in the home appliance industry. We are not just building products; we are shaping the future of smart homes in India.

KOREAL – Make Your Home, Smarter.
